Report of Independent Registered Public Accounting Firm

To the Members of
Harken Capital Securities LLC

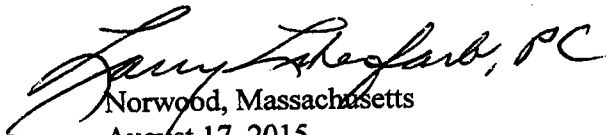

We have audited the accompanying statements of Harken Capital Securities LLC which comprise the statement of financial condition as of June 30, 2015, and the related statements of income, changes in members' equity, and cash flows for the year then ended that are filed pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplementary information. Harken Capital Securities LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Harken Capital Securities LLC as of June 30, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Schedule I, computation of net capital under rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of Harken Capital Securities LLC's financial statements. The supplemental information is the responsibility of Harken Capital Securities LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information. In forming our opinion of the supplementary

information, we evaluated whether the supplementary information, including the form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

HARKEN CAPITAL SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2015

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations:

The Company was organized in the State of Massachusetts on March 8, 2012 as a limited liability company. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC), and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company carries no customer funds or securities and therefore is exempt from the reserve and possession or control requirements under Rule 15c3-3(k)(2)(i) of the Securities Exchange Act of 1934. The Company markets financial products for its clients.

Revenue Recognition:

The Company typically enters into contracts with clients calling for a success fee to be paid out once the sale ("the transaction") is successfully completed. This success fee is typically based on a percentage of the total consideration of the transaction, although in certain cases it may be a flat fee. Accordingly, the Company recognizes success fees in the period earned.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Income Taxes:

The Company does not record a provision for income taxes because the partners report their share of the partnership's income or loss on their income tax returns. The financial statements reflect the partnership's transactions without adjustment, if any, required for income tax purposes.

Advertising:

The Company expenses advertising and promotion costs as incurred.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

HARKEN CAPITAL SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS, CONTINUED
JUNE 30, 2015

NOTE 2 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1). At June 30, 2015, the Company had net capital of \$7,383, which was \$2,383 in excess of its required net capital of \$5,000. The Company’s aggregate indebtedness to net capital ratio was 2.15 to 1.

NOTE 3 – RELATED PARTY TRANSACTIONS

The Company rents office space from its owners on a tenant at will basis. The Company paid them \$6,432 for the fiscal year ending June 30, 2015.

Since these are related party transactions, operating results could differ if the entities were autonomous.

NOTE 4 – FAIR VALUE

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

HARKEN CAPITAL SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS, CONTINUED
JUNE 30, 2015

NOTE 4 – FAIR VALUE (continued)

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumption about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. The Company's qualifying assets or liabilities are recorded at fair value using Level 1 inputs.

NOTE 5 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 17, 2015, the date on which the financial statements were available to be issued. There were no subsequent events that require adjustment or disclosure in the financial statements.
